Scooter Fact Sheet

Freerider Luggie Elite Plus

The Luggie Elite Plus mobility scooter is the same scooter as the Luggie Elite, but with suspension on the front wheels and larger tyres on the rear, giving the scooter improved comfort from a softer ride over more bumpy surfaces.

The Luggie Elite Plus has all the features of the Elite, including extendable handlebars, bigger Li-ion battery, and armrests.

- Compact, foldable design
- Total Weight 28.9kg (Inc Battery and Armrests)
- Powerful motor
- Upgraded drive train
- Front-wheel suspension
- Larger Rear tyres
- Built in Headlight for visibility
- Extendable handles and armrests
- 4.5cm floor clearance
- Max speed 6kph
- 15-25km range
- 10.5 Li-ion batteries
- 5 amp charger
- Weight capacity 145kg
