

COST CLILNetLE
CALL FOR CONFERENCE GRANTS

CLILNetLE COST Action *CLIL Network for Languages in Education: Towards bi- and multilingual disciplinary literacies* is happy to announce the opening of the current call for application for conference grants.

ITC (Inclusiveness Target Countries) Conference grants fund an oral presentation of an Action Participant's own work within the scope of the Action in a high-level conference fully organized by a third party, i.e. not organized nor co-organized by the COST Action. The Action Participant must be affiliated to a legal entity located in an Inclusiveness Target Country / Near Neighbour and be a YRI.

DC (Dissemination Conference) grants fund an oral presentation by an Action Participant of the work of the Action in a high-level conference fully organized by a third party, i.e., not organized nor co-organized by the COST Action. All Action Participants can apply.

YRI (Young Researcher and Innovator) grants funds a presentation (poster/oral presentation) of their own work within the scope of the Action by a Young Researcher and Innovator (YRI) in a high-level conference fully organized by a third party, i.e. not organized nor co-organized by the COST Action.

- **Scope:**

We are offering financial support through these grants for Action participants to present findings from the Action at international conferences. We are focusing our support on presentations of results and processes directly related to the Action Deliverables at international conferences on applied linguistics or language/subject education. To be awarded a grant, presentations or workshops need to be submitted to high-profile conferences with peer review.
