

# Job Description: Middle School Math Teacher

## About Our School

We are a friendly middle school looking for an enthusiastic math teacher to join our team! Our school believes in making learning fun and helping every student succeed.

## What You'll Do

- Teach math to 6th, 7th, and 8th grade students
- Make math exciting and easy to understand
- Help students who are struggling with math
- Create fun math activities and games
- Grade homework and tests
- Meet with parents to talk about student progress

## What We're Looking For

- Someone who loves math and teaching
- A teacher who can explain math in simple ways
- A person who is patient and kind with students
- Someone who can make math class fun and interesting
- A team player who works well with other teachers

## Requirements

- Bachelor's degree in math or education
- Teaching certificate for middle school math
- At least 2 years of teaching experience (preferred)
- Good at using computers and math software

## Why Work With Us?

- Friendly and supportive work environment

- Chance to make a difference in students' lives
- Summer vacation and holidays off
- Health insurance and retirement benefits
- Opportunities for professional growth

## **How to Apply**

If you think you'd be a great fit for our school, please send your resume and a short letter about why you want to teach math at our school. We can't wait to meet you!
