

ONE CONNECTED PLATFORM FOR EVERY PART OF TEACHING.

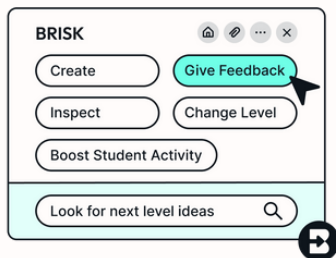

WHAT IS BRISK?

An education platform that **integrates AI into existing tools** to create dynamic curriculum, simplify differentiation, and identify what students need next.

HOW EDUCATORS USE BRISK

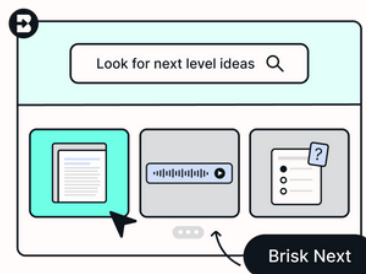

BRISK EXTENSION for Chrome and Edge

Works inside your existing tools — Docs, Slides, curriculum platforms, and more.

Create lessons, level texts, give feedback, and differentiate.

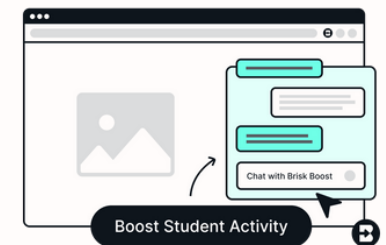

BRISK NEXT Personalized Recommendations

A personalized hub for planning and discovery — beyond the extension.

Customized lessons, activities, and assessments based on class insights.

BRISK BOOST Student Activities

Interactive AI practice for students.

Turn any resource into an activity where students get safe, teacher-controlled AI support.

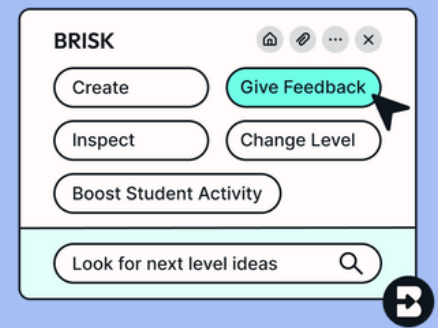

WHY SCHOOLS & DISTRICTS CHOOSE BRISK

- ✓ Built for schools. Safe for students.
- ✓ Saves teachers hours on planning and feedback.
- ✓ Works seamlessly with existing curriculum and tools.
- ✓ Drives real impact across classrooms and teams.
