Dear WHMI Family,

I am writing this note as I leave Southern Africa for Moldova. By God's grace, the sun never sets on the work of World Hope. It is truly amazing what we are witnessing. Across our hometown of Houston, Asia, South America, Latin America, the Caribbean, Europe, and Africa, we are seeing beautiful transformation as pastors and church leaders, and those whom God is calling to future leadership, are being empowered and equipped.

Amy and I were just in Zimbabwe with Board member, Gerald Crump, his wife Jaimie, and their 22-year-old daughter, Cami. One of our tasks there was to teach our newest course, Theology of Blessing and Suffering, to staff and ministry leaders at Zimbabwe's Cure Hospital. We were struck with what a real and present danger the false prosperity gospel is to the health of Christ's church. Story after story, we heard the heartbreak of vulnerable people being manipulated by false teachers. It was a vivid reminder that what we do MATTERS. Equipping pastors and ministry leaders is proactive—we are breaking down strongholds of false teaching around the world. One student said, "This is freeing us from bondage."

On Saturday, we joined another group of students as they celebrated their graduation from the Bible Institute. The next day, we were in the bush at what they called a "Tree Church." This church was planted by one of the students who had just graduated. During the course on Missions & Evangelism, our students practice what they have been taught and evangelize in the surrounding communities. This student shared the gospel with the people in the area and decided then to plant the church "under a tree," so this community could be transformed by the power of the gospel. Our graduates are taking the training they have been given and making the most of it—in doing so, they are making much of Jesus! The downstream effects of trained leaders are nothing less than beautiful. All Glory to God!

If there is one thing on my heart, it is the urgency of our work. We have been given something that addresses a huge global problem. Because God has led us to develop something that works and works well, and because what we do addresses a HUGE global need, we have an enormous stewardship. God is stirring our hearts to believe Him for more, to take our vision and share our mission with a much larger audience. We are hearing the Macedonian call around the world, "Come and help us." May God grant us the faith and the means to do much more in the future.

Finally, I am so excited to announce that WHMI Turns 50 in 2027! We will be celebrating the 50th anniversary of WHMI's incorporation as a Texas non-profit. Throughout the year we will remember, recall, give thanks and celebrate those who have helped us come this far. In the coming days, you will hear more about our plans to celebrate. We are convinced that it is as important to look back and say, "thank you" as it is to look forward and say, "Here am I. Send me."

All glory to God!

Dr. Stuart Sheehan
President & CEO

WHMI Q3 2026 At A Glance

CUMULATIVE LOCATIONS, NATIONS, GRADUATES, AND CURRENT ENGAGED STUDENTS FROM Q2 2026 TO Q3 2026

373 to 388 ACTIVE LOCATIONS

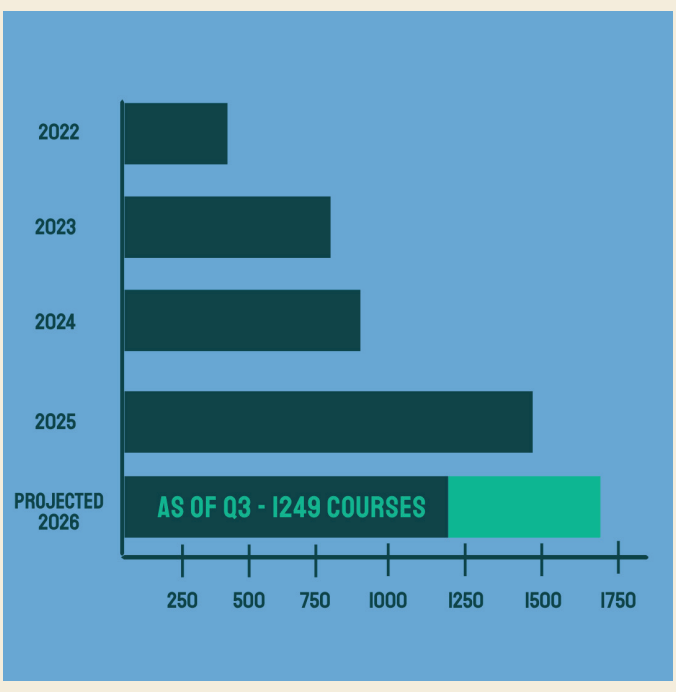

57 to 58 WORKING NATIONS

6424 to 6933 TOTAL GRADUATES

10560 to 10329 CURRENT ENGAGED STUDENTS

Due to the natural lag in data received from locations around the world, these figures reflect information available at the time of reporting. WHMI remains committed to efficiently and intentionally gathering data and testimonies from around the world so that the story of what God is doing can be shared and praised. We believe that this is essential to being a ministry that people can trust and more importantly, one that honors the Lord.

WHMI Courses Taught Y-O-Y

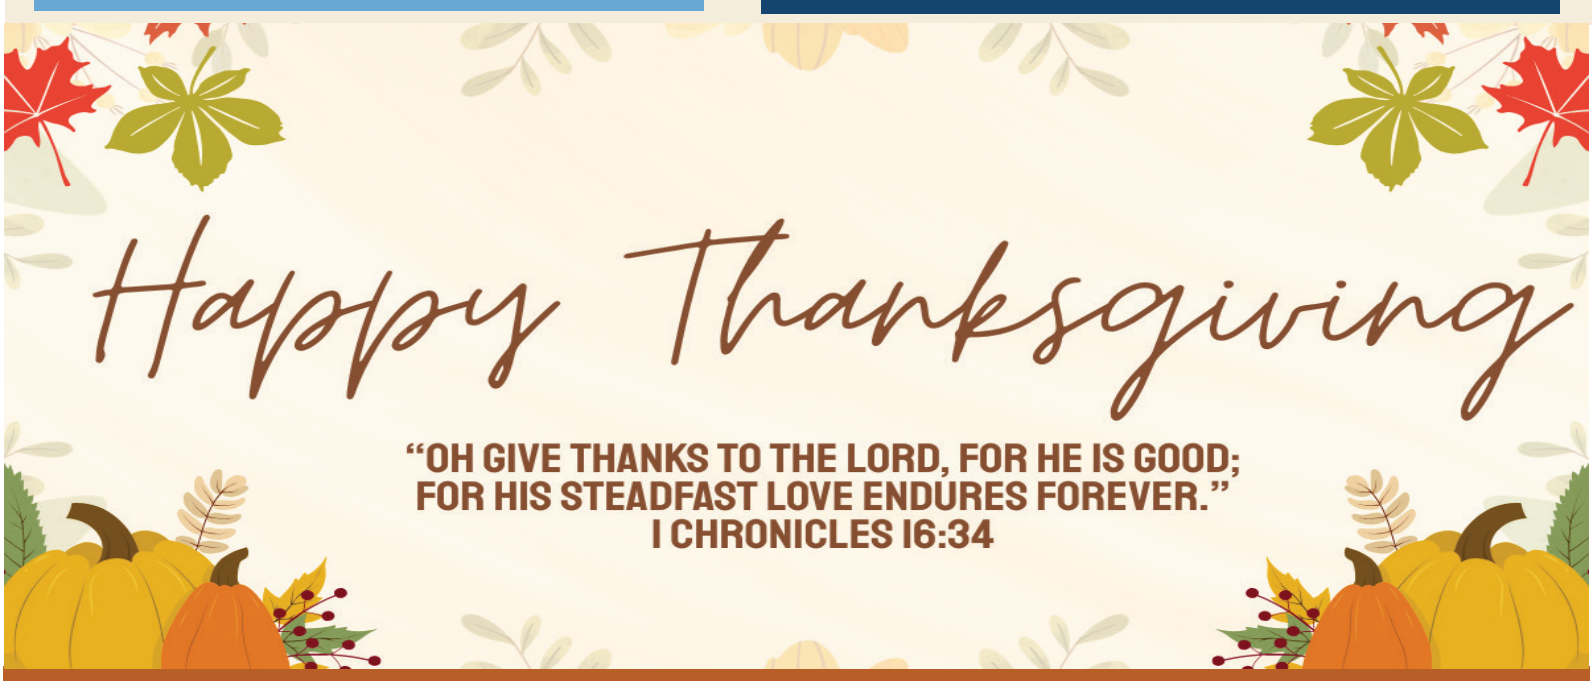

Celebrating WHMI's 50th Anniversary in 2027!

50 YEARS

What did the last 50 years look like?

- 1977 – The call of God on a family TO GO to the ends of the earth.
- Mid 1990's – The call of God to develop deep partnerships in areas where they were serving.
- 2011 – The call of God to take a more granular approach by focusing on community transformation through church health, propelling the work of WHMI's Bible Institute.

2026 Q3 Praises:

- In Q3, we have opened 22 new locations of the WHMI Bible Institute in 13 different countries!
- Over 517 students completed their Missions & Evangelism practicum in Q3 and shared the gospel with over 2300 people in their local churches and communities!
- Our new course, The Theology of Blessing and Suffering launched at the end of Q1 and since then, over 950 WHMI Alumni and National Instructors, and 180 students have taken this course!

Please pray for the following:

- At WHMI, we prayerfully budget according to the needs before us and trust God to provide through His people. As the year draws to a close, we invite you to join us in praying for year-end giving as we seek to raise $700,000 to sustain and grow the ministry through June 30, 2027. Every gift helps expand access to theological education and equips Christian leaders, strengthens local churches, and advances the gospel where it is needed most.
- Pray for the 529 pastors and church leaders who will celebrate their graduation in November and December as they lead their churches and transform their communities.

Thank you for your prayers and support of WHMI.

SPOTLIGHT - Testimonies from our Partners and Leaders

"The material taught will effectively contribute to the awakening of the Christian community, the proclamation of the Gospel, and the spiritual growth of the church in our region."
- From Cameroon

"The courses taught during this training will help churches in our area become healthier and more effective in ministry. It will strengthen leadership, encourage discipleship, improve teamwork, and help believers grow spiritually. As churches apply these principles, they will be better equipped to serve their communities, share the Gospel, and bring positive transformation to the lives of individuals and families." - From Pakistan

"These courses will equip believers to know God more deeply, interpret scripture correctly, and live more obediently. Churches grounded in sound doctrine become spiritually healthy, which then become powerful instruments through which God brings lasting transformation to their communities." - From Trinidad
