LIFE IN EVERY MOMENT

BEYOND GROWTH

2026 IMPACT REPORT

BEYOND GRATEFUL

DEAR FRIENDS,

As we look toward the future of Bayley Senior Care, I am filled with gratitude for the people who make our mission possible and excitement for all that lies ahead. Our journey has always been one of purpose, compassion, faith, and an unwavering commitment to the dignity and well-being of every older adult we serve.

The theme of this year's Impact Report, *Beyond Growth*, reflects not only where we are today, but where we are called to go tomorrow. Building on the strong foundation established by the Sisters of Charity, Bayley continues to grow in ways that honor our roots while responding boldly to the changing needs of older adults and their families. For us, growth is about more than expanding what we do, it is about deepening our impact, strengthening our community, and creating new possibilities for those we are privileged to serve.

Throughout this report, you will see the many ways our community is moving forward. Through the generosity of our donors, the dedication of our volunteers and staff, and the partnership of our supporters, we are strengthening programs, enhancing services, investing in our communities, and creating meaningful experiences for residents and families. Each achievement represents more than progress; it reflects our shared commitment to a mission grounded in faith, compassion, and service.

As we look beyond growth, we remain focused on what matters most: creating communities and environments where older adults feel known, valued, connected, and cared for. We will embrace innovation and pursue excellence while preserving the spirit and values that have guided Bayley from the beginning. The future of senior care calls us to listen, adapt, and lead with both courage and compassion.

Most importantly, our mission is strengthened by the people who walk alongside us. Every gift, volunteer hour, act of service, and partnership helps Bayley grow stronger and reach further. Together, we are building a future where aging is embraced as a meaningful journey filled with dignity, purpose, community, and grace.

Thank you for believing in Bayley Senior Care and for being part of our continuing story. Whether you have been with us for generations or are newly connected to our mission, your support makes our work possible and helps us move confidently toward tomorrow.

With heartfelt gratitude,

Bill Coury
PRESIDENT & CEO

DOROTHY KELLER AND DR. MASSA
BEYOND MEANINGFUL

DR. MASSA'S JOURNEY AT BAYLEY

Full-circle.

For nearly 40 years, Dr. Massa has been more than Bayley's Medical Director. He has been a trusted physician, advocate, colleague and familiar face to generations of residents and families.

After growing up in Delhi, Dr. Massa attended medical school at The Ohio State University before returning to Cincinnati for his residency at Good Samaritan Hospital, then operated by the Sisters of Charity. He discovered a passion for caring for older adults, becoming certified in Geriatrics and establishing Good Samaritan's Geriatric Assessment Program.

"I felt like Geriatrics was a calling, not just a career move for me," he reflects.

In 1987, the Sisters of Charity asked Dr. Massa to oversee nursing care on the seventh floor of Mother Margaret Hall. A year later, when the Medical Director retired, he assumed the role. Sister Jeanne Roach, then administrator, later asked him to serve as Medical Director for both Mother Margaret Hall and the newly constructed Bayley community.

He has remained in that role ever since.

Throughout his career, Dr. Massa witnessed tremendous changes in senior living and health care. He served two terms on Bayley's Board of Directors and numerous committees, while seeing firsthand the growing importance of engagement, activities and meaningful relationships as people live longer.

The greatest challenge came with COVID-19. Beyond the loss of life, he witnessed the profound impact of isolation on residents separated from their families and one another. The experience reinforced the importance of collaboration, preparedness and compassionate care.

As Dr. Massa prepares to retire in January, he is especially excited about Magnolia, Bayley's new memory care neighborhood. Its location makes his retirement particularly meaningful: Magnolia is being created in the same seventh-floor space where his Mother Margaret Hall journey began nearly 40 years ago.

"It's a full-circle moment for me."

Looking toward retirement, Dr. Massa is grateful for the privilege of caring for older adults, supporting their families and working alongside the dedicated Bayley team.

"I have genuinely enjoyed taking care of seniors…and being able to do that in a collaborative atmosphere like Bayley is a gift."

His role may be changing, but his connection to Bayley and commitment to its mission will continue.

BEYOND HONORED
NANCY AND LEONA GOETZ

THE GOETZ FAMILY'S LEGACY OF GIVING

Bringing joy.

Walter and Leona (Lee) Goetz raised four children: Dick, Nancy, Carol and Donna. Nancy was born with special needs and survived childhood polio.

When Walter and Lee recognized that Nancy needed a community where she could be supported, they helped establish Catholic Residential Services (CRS) with others who shared their vision.

After Walter passed away in 1985, Nancy remained at home with her mother; then the two lived with Carol and Allen. As Lee grew older, the family wanted her connected to her faith and community. She came to Bayley's Hillside neighborhood; Nancy moved to a CRS home.

At Bayley, the family met Missy Miley, a certified nursing assistant. They called her "the rock," becoming an extended part of the family.

As Lee's needs increased, she moved to Bayley's Gardens neighborhood, where she died in 2002. The family was grateful for her care.

When it was time to determine where Nancy would be best cared for, Nancy came to Bayley.

Once again, Missy was there—now a nurse—to care for Nancy and the family.

Nancy found more than a place to live. She found a community. She affectionately called her caregivers and friends "sweety" and "buddy." Her family became part of Bayley, with nieces and nephews visiting and supporting her. Over the years, Dick, Carol and Donna became Nancy's guardians.

Nancy's sister Carol received skilled rehabilitation at Bayley before she died in 2020. Carol's daughter, Christy Tepe, soon became Nancy's guardian. Donna had helped oversee Nancy's care and advocate for her before Alzheimer's changed her life.

Then, the family chose to give back.

The Goetz family gave generously to refresh the Hillside dining room, adding a television and a new modernized bird aviary. The aviary was meaningful because Nancy loved birds and wanted others to experience that joy.

Before Nancy passed away, she joined Missy at the ribbon-cutting celebrating the space. Together, they cut the ribbon—a moment representing years of trust, friendship and care.

The family was honored through membership in the Mother Margaret George Society, with a plate displayed on Bayley's honor wall.

The Goetz family reminds us that philanthropy often begins with gratitude. Their generosity ensures that Nancy and Lee's legacy will live on in a place that brings joy, connection and comfort to future generations.

BEYOND GRATEFUL
EARL AND DEDE STALF

LINDA ANTUS AND CHERIE HALL CELEBRATE THEIR GRATITUDE

Giving back.

Every time I come to Bayley, I walk by the Mother Margaret George Society wall and kiss the plaque honoring my parents.

It is a simple gesture, but it means so much to me. Seeing Mom and Dad's wedding picture brings them to life.

For me, being part of the Mother Margaret George Society is a way to honor my parents while giving back to the community that gave so much to our family.

My dad passed away in 2016, and my mom passed away in 2024. Before Mom came to Bayley, my sister Cherie and I cared for her at home. Mom had Alzheimer's, and eventually we knew she needed a community where she could receive the care and connection she deserved.

Mom and Dad were both from Cincinnati's West Side. But Bayley had a special connection to our family. It was across from Mount St. Joseph, where I attended college and where Mom volunteered during my 4 years there.

When I told Mom we were moving her to Bayley across from the Mount she smiled.

"Bayley's mission sets it apart from any other senior care community. I knew this was where Mom belonged."

Mom moved to Bayley's Hillside neighborhood, and something wonderful happened.

She blossomed. She had always been social and creative, but over the previous 10 years she had become more withdrawn. At Bayley, we saw more of the mom we knew.

She especially loved Bayley's *Opening Minds Through Art* program. Shay, one of Bayley's activity team members, really brought out Mom's creativity and personality.

The Bayley team became part of our family. After Mom passed away, I knew I wanted to give back for everything Bayley had given us.

I shared that with Bill Coury, Bayley's President and CEO, and the Mother Margaret George Society gave me a meaningful way to do so. My parents' names and wedding picture are now part of the recognition wall. I love knowing that others who knew and loved them can see them too.

I also joined the Development Committee and volunteer with Pastoral Care.

For me, giving back is about gratitude, honoring Mom and Dad, and helping Bayley continue to give other families the care, connection and belonging that meant so much.

Life in Every Moment is what Bayley gave my mom, and what I hope to help give to others.

Bayley Golf Classic

Bayley extends its sincere gratitude for your generosity and continued support made this year's annual golf outing a remarkable success.

Together, we surpassed last year's total, raising more than $120,000 in support of Bayley's mission. We extend our heartfelt gratitude to everyone who made this achievement possible. Your generosity extends far beyond the golf course, helping Bayley continue to provide exceptional care, enriching experiences, and a welcoming community for the seniors we are privileged to serve.

We look forward to coming together again next year! Mark your calendars for Monday, May 24, 2027, and join us for another memorable day of golf, friendship, and generosity in support of Bayley's mission.

"Growth has never been the goal in itself. It is what allows us to go deeper: strengthening the care we provide, investing in the people who provide it, and protecting the financial foundation our residents and families rely on. This year, disciplined stewardship positioned Bayley not just to grow, but to endure. Looking beyond growth means building an organization whose strength is measured by the lives it continues to serve for generations to come."

The Impact of Generosity

DEAR FRIENDS OF BAYLEY,

Each day, I am reminded that some of the most meaningful measures of our success cannot be found in numbers. What matters most is the difference we make in the lives of our residents, the relationships they build, the memories they create, and the joy they find in calling Bayley home. To me, Beyond Growth means enriching the lives of the people who give our mission its purpose.

The generosity of our supporters touches so many aspects of life within our community. It allows us to strengthen programs, provide valuable resources, and enhance the care and services we offer. Most importantly, these contributions help preserve the vibrant life our residents already enjoy and give them the freedom to keep doing what they love.

As we grow, I look forward to building upon what already makes us so special. This next chapter allows us to expand what is possible, explore new ways to serve our seniors, and keep their quality of life at the center of our work.

To Bayley's philanthropic community, thank you. I am continually inspired by the individuals, families, partners, and friends who believe in the work we do. Your generosity strengthens our mission, and I am forever grateful for the trust you place in us.

I am proud of what we have accomplished together and excited for all that lies ahead for Bayley. Our future is one of progress and possibility, with our residents at the heart of all we do. With your partnership, we can build upon Bayley's legacy while remaining grounded in the compassion, respect, and excellence that define who we are. Thank you for helping make Bayley a place to truly belong and for showing what is possible through philanthropy.

With heartfelt thanks,

Cheyenne Morris, BSN, RN
