

LEARN *GERMAN* at Waldsee

At Waldsee, our German Language Village, we do *Deutsch*. On the lake. At the beach. On the *Fußball* field. At the Café. In the *Gasthof* (dining hall). In the cabin. Have fun learning everyday German you can really use with friends and in games, arts, sports, cooking, and baking, as well as in environmental, historical, and cultural activities.

The authentic architecture of Waldsee will transport you to another world, where the immersive experience makes the language come alive. From the cabins to the *Gasthof*, to the innovative *BioHaus*, Waldsee inspires villagers to live the language and culture of the German-speaking world.
