Calm Your Farm

Empowering Aussie Teens with Farm Safety Knowledge

Calm Your Farm is an interactive educational game that guides players through vehicle, workshop, paddock and water safety scenarios, encouraging risk identification, understanding of hazards and taking measures to reduce risk of injury.

Designed by students and developed by experts, Calm Your Farm is a free to play farm injury prevention and safety educational game.

Visit www.calmfarm.education to access the game plus additional resources for teachers including curriculum links, lesson plans and posters.
