**A Message From The
School Principal**

Dear Parents & Guardians,

I hope you have had a wonderful week. It has been a fantastic week at SMMIS, and so lovely seeing so many of you on site this week for our various celebrations.

G1-G9 Sports Day

Looking back, as ever the annual G1-G9 Sports Day was a huge success at Yishun Stadium. It was a celebration of all things sporting, House and SMMIS community. Students participated in a host of different races and events to earn points for their Houses. The weather held off and everyone had fun and got involved. There were colourful banners and flags, as well as cheers and chants to support each other. There was also great music, dancing, delicious snacks and general fun all round. The overall winners were Chesed but, as we

Grade 1 Chumash Party

The Grade 1 JE students celebrated their Chumash Party this week, marking a special milestone in their Jewish learning journey. The event celebrated the students' introduction to the Chumash, the Five Books of the Torah, and each child proudly received their own Chumash. During the presentation, the students shared their learning through readings and songs that reflected key stories from the Torah, including Creation, Noah's Ark, and the Exodus from Egypt. The presentation also highlighted receiving the Torah at Mount Sinai, the Ten Commandments, and the connection between the Jewish people and the Land of Israel. This meaningful celebration marks their transition toward beginning formal Torah study in Grade 2 and highlights their hard work, dedication, and enthusiasm for Jewish learning.

G1 Exit Point

Grade 1 concluded their learning journey with an exciting Exit Point. They began by showcasing their play about Light, bringing the topic to life through expressive acting and song performances. The children also shared their knowledge through presentations on folktales and light festivals from the country they had chosen. To end on a joyful note, the children and parents participated in a special parent-child bonding activity. Together, they created fireworks dot painting, allowing families to connect.

K2 Siddur Party

The K2 JE students celebrated their Siddur Party this week marking an important milestone in their Jewish learning journey. A Siddur is the Jewish prayer book, which guides us in our daily prayers and helps strengthen our connection with Hashem, Jewish traditions, and the community. During the celebration, each child proudly received their own Siddur and shared their learning with their parents and classmates through presentation of songs, and prayers. The celebration highlighted the importance of tefillah (prayer), gratitude, kindness, and Tikkun Olam—our responsibility to help make the world a better place. This special event celebrated the students' growth, dedication, and growing connection to Jewish values and traditions.

iGCSE Art Exhibition

Our recent SMMIS Art Exhibition displayed the outstanding work of our Grade 10 iGCSE Art students, celebrating months of creativity, dedication, and artistic development. Through their coursework, students explored a range of deeply personal themes, including Glass, Childhood Nostalgia, and Ritual and

creativity but also their ability to communicate meaningful ideas through art. We are incredibly proud of their hard work and achievements.

G4 & G5 Art Exhibition

Our auditorium was buzzing with energy, inspiration, and innovation as our Grade 4 and 5 students hosted their highly anticipated IPC Exit Point Exhibition, leaving the parents and students deeply impressed. The Grade 4 students beautifully demonstrated the "Power of Persuasion" from their unit "Champions for Change: Significant People". Visitors were invited to "Speakers' Corner" to hear passionate campaign speeches from student-led political parties like Zero Hunger, Clean Water and Sanitation, No Poverty, Justice and Peace, Gender Equality, Climate Action, and Life Below Water, before casting an official vote at the ballot box. Meanwhile, Grade 5 transported everyone around the globe with "The Holiday Show" Travel Fair. Acting as young geographers and eco-friendly travel agents, groups such as Compass Travels, iTravel, Greenhouse Travels, Beyond the Wonder, Rangers of the Forest, Levy and Seira, Wonderway Journeys, Adventure Time Travel, Dolphin Company, and Nature's Compass pitched creative marketing campaigns and sustainable solutions to real-world tourism challenges. Throughout this incredible learning journey, all of the students truly embodied their IPC Personal Learning Goals, practising exceptional collaboration, communication, resilience, and critical thinking as true global citizens. Thank you to all the families who came out to question, vote and support our remarkable young change makers!

Kangaroo Maths Competition

A massive congratulations to all of our brilliant mathematicians who took part in the Kangaroo Maths Competition. We are incredibly proud of the problem-solving skills and determination shown by everyone who participated, and every single student will be receiving a certificate to recognise their hard work. For those children who achieved an Honourable Mention, Bronze, or Silver certificate, there is an exciting next step: you are eligible to progress to the next stage of the competition, the Singapore International Math Olympiad Challenge (SIMOC). If your child qualified and would like to take on this next challenge, please email Mr Euan to find out more about registering.

End Of Year Show - Matilda Jr

The excitement is building across campus as we enter the final days before our production of Matilda Jr. takes the stage! Over the past few months, students have been rehearsing tirelessly, learning lines, perfecting songs,

at work preparing for what promises to be a memorable evening.

As we move into show week, the anticipation is growing, and we cannot wait to share the incredible talent, dedication, and teamwork of our students with our school community. The countdown is on. We look forward to welcoming you to Matilda Jr. very soon. 7 days to go!

SMMIS Swim Carnival 2026: Dive into Fun

Mark your calendars! The highly anticipated SMMIS Swim Carnival is making a splash on Thursday, 18 June 2026. At SMMIS, this is a completely inclusive, fun day at the pool, and we expect all students to bring their swimwear and participate in the excitement! From a wonderful showcase of swim skills by our youngest swimmers to thrilling races with our eldest swimmers, there is something for everyone. Come out in full force to support your Houses!

Parents are warmly invited to join us poolside to cheer on the swimmers. We will be hosting an exciting Parent & Child game during every session, so for parents who want to dive into the fun, make sure you bring your Swimming kit. Please note the session times for each grade level below:

- K1 to Grade 2: 9:00 AM – 10:30 AM
- Grade 3 to Grade 5: 11:00 AM – 12:30 PM
- Grade 6 to Grade 10: 2:00 PM – 3:30 PM

We cannot wait to celebrate our students' hard work and team spirit with you. See you at the pool!

From The PTA

Thank you, parents, for joining us and participating in the wonderful social event last night, it was such a lovely and heartwarming evening. A special thank you to our volunteer parent, Baruch Toledano, for the fascinating and insightful tour, and thank you to the Chesed-El Synagogue for opening its doors to us. Shabbat Shalom. Wishing everyone a wonderful and restful weekend.

PTA Reminder: End Of Year Thank-you Gifts For Staff

As the academic year draws to a close, the PTA is inviting families to join together in celebrating the wonderful staff who make SMMIS such a special place for all the children. A suggested contribution of \$50 per child goes towards end-of-year appreciation gifts for the entire SMMIS team. Every amount is welcomed, and no contribution is too small. To participate, please

for helping us recognise the dedication and warmth that our staff bring to school life every day.

Library Book Returns

This is a gentle reminder that Friday 5 June was the deadline to return library books. Please check at home, in school bags, and in reading corners for any borrowed books and return them by the deadline. If a book is lost or cannot be returned, please arrange replacement payment as soon as possible. Returning books helps us keep our library collection ready for all students. If you have any questions, please email Ms Chanelle, the librarian, at chanelle.crosby@smm.edu.sg. Thank you for your support and cooperation.

Parent Surveys

As we approach the end of Semester One, we kindly request your support in completing our Parent Survey. Your valuable feedback will help us understand your experiences and improve our efforts to provide the best possible education for your children. Please take a few minutes to share your thoughts and insights by completing the survey no later than Friday, 19th June 2026.
