Dear Parents & Guardians,

I hope you have had a wonderful week. It has been a fantastic week at SMMIS, and so lovely seeing so many of you on site last night for the amazing performance of Matilda JR.

Nursery: End-of-Year Kabbalat Shabbat

We had a wonderful time celebrating our End-of-Year Kabbalat Shabbat together with our families. The children were full of joy as they welcomed Shabbat alongside their parents and took part in a special challah-making activity. We also enjoyed reading Hannale's Shabbat Dress, which encouraged meaningful conversations about kindness and helping others. The celebration was filled with happy moments as we sang, danced, and shared our favourite Shabbat songs together. Thank you to all our parents for your continued

U15 Volleyball Competition - ACE Cup

We are thrilled to share that our Secondary School Volleyball team (U15) has completed their first official competition, the ACE Cup, held at Our Tampines Hub on 5 and 9 June. After a full year of training, it was wonderful to see our players (Leo, Naythan, Jacob, Wilson, Ariel, Boaz, Ishaan, Matvei and Jai. With Delly and Koharu joining as supporters), take to the court and represent SMMIS with determination and great sportsmanship. We are proud to celebrate three individual honours from the competition:

Captain: Leo

Most Valuable Player: Naythan

Most Improved Player: Ariel

Thank you to the coach, staff, and families who supported the team throughout this journey. This is only the beginning.

End Of Year Show - Matilda JR

What an incredible journey it has been! After months of rehearsals, learning lines, mastering choreography, singing countless songs, and working together as a team, last night our students proudly presented Matilda Jr. to a wonderful audience of families, friends, and staff. The production was a true celebration of creativity, courage, perseverance, and collaboration. From the performers on stage to the students working behind the scenes, every child played an important role in bringing the story to life. Along the way, they developed confidence, resilience, teamwork, and a deeper appreciation for the performing arts. A production of this scale is never the work of a single person. We would like to extend our thanks to our dedicated staff, parent volunteers, and the many individuals who contributed their time, energy, and expertise to make the show possible. of course a special vote of thanks to our amazing music teachers: Mr Junaidi and Ms Sara.

Most importantly, we are incredibly proud of our students. Their commitment, enthusiasm, and willingness to challenge themselves transformed weeks of hard work into a memorable performance that will stay with us for years to come. Congratulations to everyone involved in Matilda Jr. Thank you for making this production such a special and inspiring experience for our school community.

We will share the photos and video next week. Stay tuned!

We are incredibly proud of our graduating ESAL students, who have demonstrated remarkable independence and resilience in their pursuit of English language mastery. Throughout their journey, these learners have embodied the SMMIS core values of Enquiry and Resilience, developing the critical skills needed for lifelong learning.

By adopting a Growth Mindset and embracing the power of 'yet', students progress from having no or little English into confident, spontaneous communicators. Within the ESAL Programme at SMMIS, students flourish through active, collaborative learning, moving beyond simple phrases to discovering answers for themselves and developing increasingly sophisticated language skills.

We offer our sincere congratulations for the hard work and determination the graduating students have shown throughout their English language learning journey. Mazel Tov!
