Dear Parents & Guardians,

[Subscribe](#)[Past Issues](#)[Translate ▼](#)[RSS](#)

know how hard they work each and every day and it is so heartwarming to feel the love from the parents of the school, thank you so much.

G4 IPC Exit Point: Brainwave Unit

To celebrate the culmination of our Brainwave IPC unit, Grade 4 hosted a fantastic Exit Point where students stepped into the shoes of teachers to share their remarkable learning journey with the school community. Throughout the event, students shared interactive presentations explaining the key functions of the brain, demonstrated effective memory strategies like chunking and mnemonics, and delivered inspiring TED-style talks alongside original growth mindset quotes. Guests were also invited to try guided mindfulness techniques led by the students and explore vibrant artwork celebrating international-mindedness and global competency. It was wonderful to see our Grade 4 learners confidently reflect on their growth, articulate how making neural connections powers their learning and inspire others across our school community to embrace challenges and cultivate lifelong learning habits!

ACSYS Season Is Here

We're thrilled to share that our students will be representing SMMIS at the upcoming ACSYS competition. It's a wonderful opportunity for them show teamwork and school spirit, and we couldn't be prouder.

The full ACSYS schedule is included [here](#). For any ACSYS related matters, please email Ms Felicia at felicia.toh@smm.edu.sg.

today, 4th September. These videos will be shared in form classes on 7th – 8th September, followed by voting on 9th September and the release of results on 10 September. Shortlisted candidates will then attend interviews from 15th – 18th September, leading up to the Inauguration Assembly later in the month. We're excited to see our students embrace this opportunity to lead, and we wish all candidates the very best!

Reminder: PTA: Shofar Blowing, Cake and Coffee

The PTA warmly invites all parents to join the PTA on Wednesday, 9th September at 9:00 AM in the B2 Pre-Function Room for a morning of shofar blowing, cake and coffee. It's the perfect chance to connect, chat and celebrate the start of a wonderful new school year together. PTA would love to welcome all parents, do sign up using the [link](#) so we can plan for numbers.

Reminder: iJooz Vending Machine

Please be informed that the iJooz vending machine will be removed from the School on Wednesday, 9th September 2026. This decision was made by iJooz due to low sales. While we explained that the lower sales over the past two months were largely due to the school holidays, iJooz has confirmed that the decision is final. For those who enjoy their orange juice, do savour it right up to the last day!

As you will have noticed the Haze is rising in Singapore. We are following the [National Environment Agency](#) closely and will make any adjustments necessary to keep our children safe.

Wishing you a lovely weekend ahead, and shabbat shalom,

Ms Elaine
