Dear Parents & Guardians,

G3-G11 Jewish Students Selichot Trip

This week, our G3 - G11 students who taking Tefillah had the opportunity to experience a very special Selichot morning at Maghain aboth Synagogue. The students arrived at 6:30 a.m. and joined the synagogue community for Selichot prayers. They followed the prayers and melodies, experienced the unique atmosphere of the early morning service, and heard the beautiful sound of the shofar. After the service, we continued with our school prayer before enjoying breakfast together and heading back to school. It was a meaningful morning for our students and a special opportunity to come together as we prepare for the High Holy Days.

G7 Field Trip: Dialogue in the Dark Singapore

This week our G7 students visited Dialogue in the Dark Singapore as part of their current International Middle Years Curriculum (IMYC) unit on Courage. Guided by visually impaired facilitators, students experienced a series of everyday environments in complete darkness. Using canes and relying on their other senses, they navigated a park and a house, crossed a road and even ordered at a café.

The experience encouraged students to step outside their comfort zones and think about courage in a very practical way. It also helped them develop their communication skills, resilience, empathy, and gained a greater understanding of the everyday experiences of people with visual impairments.

Youth Public Speaking Powered by TEDx

We are delighted to be partnering with Puja Talesara Bhandari, a prominent leadership coach and three time Ted Ex speaker to bring the platform of youth public speaking to life. For those students who are interested Puja and her

meaningful ideas. This 6 week public speaking mentorship course culminates in dedicated student-led TEDx events hosted at SMMIS, where our students and others from around the region will confidently take ownership of the stage to share their unique voices, passions, and perspectives with the wider community. If you are interested to hear more or for your child to participate please complete this [short form](#) and we will invite you for a meeting with Puja to launch this very exciting project. Our own student Ved (G6) has already participated in this programme, click [here](#) to listen to his Ted talk. This is open to students in Grade 4 and above.

Reminder: September Open House

We warmly invite our parent community to help us spread the word about our upcoming Open House next Tuesday, 22nd September at 9:00 a.m. It's a wonderful chance for prospective families to explore our campus, meet our team, and discover more about our school community, values, and learning environment.

If you know a family who might be interested in joining SMMIS, we would be grateful if you could pass the Open House details along to them. We also offer a Referral Programme for families who introduce new families to the school. For more information, please contact our Admissions Team at admissions@smm.edu.sg.

Yom Kippur - No School on Monday, 21st Setember

A reminder that there will be no school this Monday, 21st September, in observance of Yom Kippur. Yom Kippur, the Day of Atonement, is a sacred day of reflection, prayer and fasting. It is a time to seek forgiveness, reflect on the past year and look ahead with renewed purpose.
