

Senate Voting Statistics - 2025 Oklahoma Legislative Session

Members' percentage score is based on how often their votes on KPG-tracked bills aligned with our position. The tallied votes include ones taken before final passage and emergency clause votes. Missed votes were not counted, but absences are listed and used to break ties in the rankings. The members are sorted from highest to lowest by percentage on all issues.

Compiled June 19, 2025.

Member	Overall Rank	All KPG Issues					Animals			Arts/Arts Education			Reproductive Health			Ballot Measure Protection			Education		
		With	Against	%	Absent	Absent %	With	Against	%	With	Against	%	With	Against	%	With	Against	%	With	Against	%
