GENERAL INFORMATION

Benefit Card

When your health/dental benefits initially begin under the NB Pipe Trades Health & Welfare Plan you will receive a Welcome Package from the NB Pipe Trades Administration Office outlining your benefit coverage for you and your dependents. This package will also include your Benefit Cards, and any forms required.

Present your Benefit Card to your pharmacist, provider and/or dentist. If there are any issues with the Benefit Card at the point of sale, have the provider call the NexgenRx Provider Help Line at 1-866-394-3648 or NB Pipe Trades Administration Office at 506-459-6040 ext. 1 (these numbers are also located on your Benefit Card), and someone will assist them with submitting your claim.

There will be some medical expenses such as CPAP machines, Semi-Private hospital rooms, etc. that your Benefit Card cannot be used for. In the event you are not able to use your Benefit Card for any reason, you may, **within 12 months of the date of service**:

1. File a paper claim with NB Pipe Trades, or
2. you have the option to submit **most** claim(s) online at www.nexgenrx.com
 - you must retain any receipts submitted online for 12 months from the date of submission as NB Pipe Trades/NexgenRx may request the original receipt for auditing purposes.
3. you can also allow your service provider an “assignment of benefits” to allow us to pay the service provider directly if they are not set-up for electronic billing but have registered as a practitioner / provider with NexgenRx.

Filing a Paper Claim

In order to quickly process your paper claim, all receipts must be accompanied by a completed claim form that includes the members original signature, and all claim forms should clearly indicate the following:

- ❖ Your full name and address
- ❖ Your local
- ❖ Your certificate number (located on your benefit card)
- ❖ Your group policy number
- ❖ Your original signature

Receipts submitted for reimbursement **must be originals**; faxed, emailed, or photocopied receipts will not be accepted.

Claim forms can be requested from the NB Pipe Trades Administration Office or can be found on our website at www.nbpipetrades.com.

The claimsxchange.com

Providers enrolled on theclaimsxchange.com will eliminate the use of paper claim submission.

Through this service, we have made it easier for the following extended health care providers to submit your health claims, incurred under the NB Pipe Trades Health Plan, to NexgenRx on your behalf for reimbursement

- | | |
|-----------------|---------------------------------|
| ❖ Psychologist | ❖ Speech Therapist |
| ❖ Social Worker | ❖ Vision Care Service Providers |
| ❖ Chiroprodists | ❖ Osteopaths |
| ❖ Podiatrists | ❖ Physiotherapist |
| ❖ Chiropractors | ❖ Massage Therapists |

Reimbursement

You can elect to have incurred claims paid to your provider or paid to you directly. The health care provider will be able to submit claims on your behalf at the point-of-sale, therefore reducing your out of pocket expenses. If you are assigning a benefit payment to your provider, you will be required to sign a *Patient Assignment of Benefit & Consent form*.

It will be between you and your provider to determine who gets reimbursed. Some providers may want you to pay them directly, but they can submit the claim electronically on your behalf. Please make sure you always obtain a claim confirmation from your provider after each visit. The claim confirmation has all the information you need and verifies the claim submission status.

Since theclaimsxchange.com is able to adjudicate your claim in real time, your provider will be able to determine whether or not there is anything you owe at your time of visit. theclaimsxchange.com also allows for co-ordination of benefits (COB).

Medical Referrals

If the plan requires a doctor's referral, please bring the referral to your first visit and have your provider enter the details of the referral when submitting your claims and maintain a copy for their records.

Where is this service available?

This service is available across Canada. NexgenRx has over 100,000 health care providers on theclaimsxchange.com provider registry. If your provider is not enrolled, it is a very simple and quick process for them to sign up. They just need to go to www.theclaimsxchange.com and it will walk them through the registration.

We ask you to try the new claim submission service and help us work to save the environment.

Application Forms

Prior to any claims being processed under the plan, you are required to complete a ***NB Pipe Trades Application Form*** as it contains vital information to process claims, as well as the beneficiary to any life or pension benefits you may be eligible for. If you have not completed one of these forms, please contact the NB Pipe Trades Administration Office to request one.

Coordination of Benefits

Benefits for you or a dependent will be directly reduced by any amount payable under a government plan. If you or a dependent are entitled to benefits for the same expenses under another group plan or as both an employee and dependent under this plan or as a dependent of both parents under this plan, benefits will be co-ordinated so that the total benefits from all plans will not exceed expenses.

You and your spouse should first submit your own claims through your own group plan. Claims for dependent children should be submitted to the plan of the parent who has the earlier birth date in the calendar year (the year of birth is not considered). If you are separated or divorced, the plan which will pay benefits for your children will be determined in the following order:

1. the plan of the parent with custody of the child
2. the plan of the spouse of the parent with custody of the child
3. the plan of the parent without custody of the child
4. the plan of the spouse of the parent without custody of the child

You may submit a claim to the plan of the other spouse for any amount which is not paid by the first plan.

If you and your spouse both have a Benefit Card, please let the service provider know so they will be able to submit claims to both carriers on your behalf.

Access to Documents

You have the right, upon request, to obtain a copy of your Application Form and any written statements or other records you have provided to NB Pipe Trades as evidence of insurability, subject to certain limitations.

Appeals

You have the right to appeal a denial of all or part of the insurance or benefits described in the contract as long as you do so within one year of the initial denial. An appeal must be in writing and must include your reasons for believing the denial to be incorrect.

Benefit Limitation for Overpayment

If benefits are paid that were not payable under the plan or policy, you are responsible for repayment within 30 days after NB Pipe Trades, NexgenRx and/or Sun Life Financial sends you a notice of the overpayment or within a longer period if agreed to in writing by NB Pipe Trades, NexgenRx and/or Sun Life Financial. If you fail to fulfil this responsibility, no further benefits are payable under the plan or policy until the overpayment is recovered. This does not limit NB Pipe Trades, NexgenRx and/or Sun Life Financials' right to use other legal means to recover the overpayment.
