To: Active Members and Deferred Members of the NB Pipe Trades Shared Risk Pension Plan (Local 213 and Local 325 Plumbers & Pipefitters and UA Local 56 and UA Local 740 Refrigeration)

From: Board of Trustees of the NB Pipe Trades Shared Risk Pension Plan

Regarding: Yearly Pension Statements

The Board of Trustees of the NB Pipe Trades Shared Risk Pension Plan would like to advise all pension plan members that due to a permanent change in the information to be presented on the yearly pension statement the statement will not be sent out in February of each year. The statement will be provided at a later date; however, a defined date has not been determined. It is estimated that the statements will be sent no later than June 30th of each year.

The revised pension statement will show benefits to which you are entitled upon retirement or termination of employment, it will show features of your membership such as your date of birth, date of membership, continuous years of service. If you are married it will indicate your spouse's name and date of birth, and your beneficiary for your pension will also be indicated.

Upon receipt of the yearly pension statement please review all the information carefully and if you notice any discrepancies, please contact the pension department of the NB Pipe Trades Administration Office.

Please be advised that the yearly pension statement is for information only and is not used for your annual income tax return.

Sincerely,

Nathan Doucette
Chairperson, NB Pipe Trades Shared Risk Pension Plan
