A BROADWAY PLAYBILL EXPERIENCE

Take Your Place in the Show

When you sponsor *Dancing with the Shasta Stars*, you help bring a Broadway-style production to life on the Cascade Theatre stage while supporting the life-saving work of One SAFE Place.

Each sponsorship level offers meaningful visibility, memorable experiences, and the opportunity to stand with survivors and families in our community.

In Her Own Words... A Past Mirrorball Winner

Being a "Star" dancer for *Dancing with the Shasta Stars* was **one of the most meaningful and joyful experiences** I've had. What stood out most was the way the six of us came together as a team—cheering each other on and dancing for something bigger than ourselves. Seeing our community rally behind One SAFE Place made it all the more impactful, and **I'm proud to support an organization that brings hope, healing,** and real resources to those who need it most.

THE POWER OF YOUR SPONSORSHIP

ONE NIGHT ON STAGE. A LIFETIME OF IMPACT.

At Dancing with the Shasta Stars, the curtain rises on more than a performance. It rises on possibility.

Every step on stage supports safety, justice, and healing for survivors of domestic violence, sexual assault, and trafficking. This is more than a night at the theatre. It's a production with purpose.

For months, local stars and professional dancers rehearse, fundraise, and rally the community, all leading to one unforgettable night.

Because when the spotlight shines, it doesn't just illuminate the stage. It lights the path toward hope.

HOW YOUR SPONSORSHIP MAKES AN IMPACT

Each dancer raises funds for one of the essential programs of One SAFE Place:

- **Emergency Shelter** – Providing safety for survivors fleeing danger
- **Crisis Hotline & Hospital Response** – Offering 24/7 crisis support and hospital advocacy for survivors
- **Legal Services** – Helping survivors with restraining orders and legal protections
- **Crisis Intake & Advocacy** – Ensuring immediate response and assessment for survivors in crisis
- **Transitional Housing** – Helping survivors rebuild stability and independence
- **Community Prevention and Education** – Prevention, education, training, and community engagement

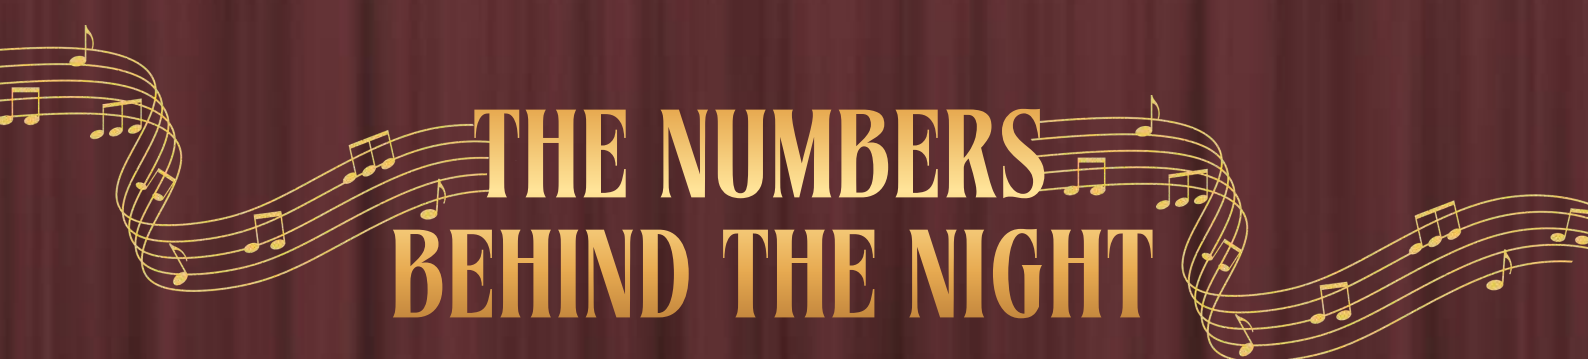

WHEN THE CURTAIN RISES ON CHANGE

Months of fundraising and community support build toward one unforgettable night, where celebration meets purpose.

Under the marquee lights, we honor frontline professionals, recognize the strength of survivors, and highlight the critical need for ongoing support.

Your sponsorship makes this event possible. By underwriting event costs, you ensure more of every dollar raised goes directly to life-saving programs and services.

This is how we turn one night into lasting impact.
