

# SERMON DISCUSSION QUESTIONS

## RESILIENT WEEK 4

*While anyone can take time to answer these questions individually, these questions are best discussed in a group! Not in a group yet? We want you in one! Head over to **[southeastchristian.org](http://southeastchristian.org)** to join a group in person or online, wherever you are - today!*

What would you do if you knew your time was short? How would it change the way you made decisions or set priorities? How would it influence the way you spend your time or the relationships you pour into? Given a short amount of time to live, how would we like to think we would react?

Read 2 Kings 20:1-6. What happened to King Hezekiah? What did he pray? How did God answer that prayer? How would you think Hezekiah would use those final 15 years to serve and worship God? Imagine yourself in his place for a few minutes. How would you plan for those final 15 years to go?

Read 2 Kings 20:12-19. What ended up happening in that extra time Hezekiah was given? How did he mess up his legacy at the very end? Why do you think he faltered and failed in that extra time? What might have caused him to lose sight of all God had done for him?

Have you ever known someone who ruined their legacy towards the end of their life? What happened? How did they end up derailing? On the flipside, do you know anyone who “finished well”? How did their final days cement their legacy? What are some of the differences between those who falter and those who finish well?

Lucas talked about the idea of “spiritual leprosy” and how our hearts can become numb to sin and disobedience. What are some of the factors that create that numbness in our lives? How do we combat that? What are some of the symptoms of that spiritual numbness in our lives?

When you think about the kind of legacy you want to leave behind, what do you picture? What are some of the words/qualities you want to define that legacy? As a Group, close your time in prayer together by asking God to help you live with that legacy in mind and to “finish strong” in whatever time you have left.
