Dosbarth Plas Mawr.....

Dosbarth Plas Mawr have registered to take part in the RSPB's Big Schools' Birdwatch 2026. They have been learning all about the garden birds as part of their 'New beginnings' mini project. They made their own bird feeders to attract the birds and observe them feeding in the school nature area. We have sent our results to the RSPB and received a certificate for our good work. Gwaith gwych yn arsylwi'r adar bychain yng ein hardal natur.

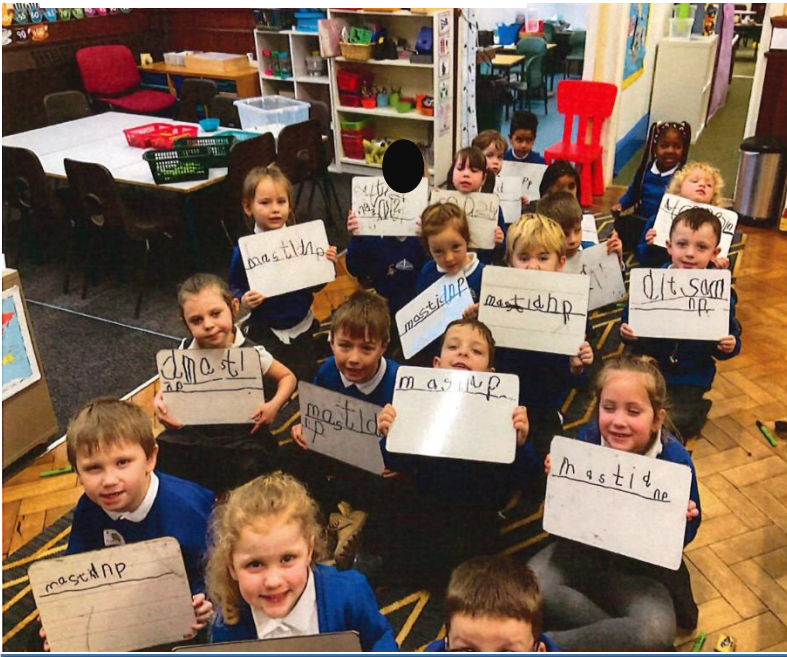

An excellent money workshop from Barclays.
