

Real value, delivered daily.

Circles designs, launches and actively manages workplace hospitality programs that deliver real business outcomes.

Engaged employees

Circles makes employees feel supported and valued — boosting engagement across the board.

Thriving culture

Inclusive events and content help every employee feel connected, no matter where or how they work.

Increased retention

Great experiences and real work-life balance keep top talent loyal, happy, and sticking around.

Improved performance

By handling life's to-dos, Circles helps employees stay focused, less stressed, and more productive.

Satisfied workforce

With an NPS of 80 and 92% feeling valued, Circles delivers the kind of impact employees notice.

Measurable ROI

We streamline processes, cut distractions, and help you do more with less, especially in a tight economy.

Amplified brand

From tone to attire to CSR, our teams reflect your brand, creating seamless, on-brand experiences.

Higher occupancy

Amenities and experiences employees love make the office a place they're excited to return to.
