you do your job right.

## A BETTER WAY TO RENT

---

→ Newer gear, more uptime.

---

→ Rent equipment when you need it.  
Off-rent it when you don't.

---

→ Create geofencing and utilization reports to control  
your jobsite and rental spend.

---

→ Reduce theft, lost tools, safety issues and  
unauthorized use with our T3 connectivity.

---

→ Know when your rental leaves our yard and  
is headed to yours.

---

→ Our service team uses T3 tech to quickly and easily  
mitigate repairs and reduce downtime.
