# KEEP YOUR BUSINESS FROM GOING UNDER WATER

EquipmentShare — Get the tools to help you do your job right.

## A BETTER WAY TO RENT

- Newer gear, more uptime.
- Rent equipment when you need it. Off-rent it when you don't.
- Create geofencing and utilization reports to control your jobsite and rental spend.
- Reduce theft, safety issues and unauthorized use with our GPS and access keypads, which let you know where your machines are and who's using them.
- Know when your rental leaves our yard and is headed to yours.
- Our service team uses T3 tech to quickly and easily mitigate repairs and reduce downtime.
