TIME CARDS APP

Track and approve employee hours
with T3 Time Cards

Time Cards

Connect Time with Tasks for Total Visibility

T3 Time Cards provide complete visibility into the hours your team works on every project. Employees can use the T3 Time Cards mobile app to clock in and out and assign their hours to specific projects and locations. Supervisors can review and approve employee time cards right from their browser to see exactly who was where and when. At payroll time, T3 Time Cards can export data to your payroll software to simplify record keeping.

Employee Details

ENHANCE VISIBILITY
See where your staff is located by jobsite or geofenced location and how it corresponds to your employees' time cards. View overtime hours and keep tabs on your labor force.

CONTROL COSTS & INCREASE PRODUCTIVITY
Optimize your staffing before the project begins to save time and prevent delays. Reconcile job costs with recorded hours, manage overtime requests and approve time cards easily.

T3 INTEGRATION
Use with T3 Work Orders to assign specific tasks to your team and get a true cost for repair and maintenance work. Use with T3 Analytics to create better estimates based on your team's efficiency.
