

# Virtual Production Stage

Canada's Highest Resolution LED Stage - setting a new standard for clarity, realism, and creative freedom

[spstudios.ca](http://spstudios.ca)

## The SP Studios Advantage

### Markets We Serve

### From Idea to Final Shot We've Got You

Our client-first approach ensures we guide you through every step with clarity, confidence, and zero stress

### Hyper - Realism Guaranteed

- An ultra-crisp 1.9mm pixel pitch
- In-house Virtual Art Department
- Image Based Lighting (IBL) for visuals that feel realer than real

### Full Production Power Under One Roof

With everything in-house, move faster, collaborate smarter, and keep your costs under control — all without sacrificing quality

## LED Volume Stage

Seamlessly integrated with a custom-built ARRI lighting grid, Mo-Sys precision tracking, and a robust power infrastructure, the stage delivers unmatched control and flexibility
