## PARENT NEWSLETTER SPRING 2026

### Dear Parents/Guardians,

It's been such a joy to see how your students have developed new friendships and grown in their faith over the last semester! We're excited for what's ahead this spring, and you'll find our second semester calendar enclosed here to make sure you have the dates for everything coming up.

### Summer Dates

**Rockslide** • June 15-18 • for students entering 6th-8th grade

**Quest** • July 6-10 • for students entering 9th grade

### A note from Joe

I've so appreciated getting to spend time with your students each week in SIX8. We have a really fun and energetic group of middle schoolers this year, and it's been a cool experience to watch and see the level of community that has developed within our small groups as the semester has progressed.

It's a gift to walk alongside you and your students as they discover who God is calling them to be. Thank you for the privilege of letting us partner with you, and please don't hesitate to reach out if you have questions or if there are ways that we can better support you. We're looking forward to another semester of SIX8 and all of the opportunities coming up to help kids grow closer to the God who created them, knows them, and loves them deeply.
