WELCOME TO SIX8

The school year is fast approaching and I am so excited for SIX8 to kick-off. If we haven't met, my name is Gabby and it is my job to make sure SIX8 is a fun and meaningful time for your students to connect with their peers and learn more about Jesus. It's been a blast to get to know some of the students in our program already at summer camp and our summer events, and I am looking forward to connecting with even more as Wednesday programming begins. I cannot emphasize this enough, but if you see me, please come up and say Hi! I would love to connect and get to know you and your family!

WHAT WE DO

In SIX8, our goal is to inspire students to develop a lifelong relationship with Jesus. We love getting to work with your students, and we want to partner with you in guiding and encouraging them in their faith journey. At CPC, the heart of our program is building genuine relationships with our students, and a huge part of that means stepping into their world outside of just Wednesday nights. Let us know if your child has a game, activity, or performance coming up - we love to support our middle schoolers!

Okay, but what is my kid going to do every Wednesday night?

During Wednesday nights at SIX8, your student will begin in the Fellowship Hall with other middle schoolers as we start off the night with games and activities designed to bring the fun and help build community with other students. From there, most of the night is spent exploring the Bible through both large-group teachings and small-group discussions. We place each student in a small group alongside other students and a leader whose main goal is to connect with your student and help them learn more about Jesus.

SIGN UP

ALL 6th-8th graders must register for SIX8. This ensures that we have your updated contact information, that we know who to reach out to in case of an emergency, and that we place your student in the right small group.

A NOTE FROM GABBY

We're so excited to jump into another year with you and your middle schoolers! Our team has been working hard to prepare for Wednesday nights, and we can't wait to kick things off with you on September 9. We love the energy of having kids back at CPC each week and are looking forward to getting to know your students better this year.

As much as we love Wednesday nights, we also recognize that a student's faith journey is formed through so much more than just a single weekly event. We love getting to support and encourage our middle schoolers throughout the week, whether that means attending a game, going to a concert, or grabbing a coffee together. We also want to be a ministry that closely partners with parents in helping their kids follow Jesus. If there are ways that we can better serve your kids or better equip you as parents, please let us know!

Our prayer is that as your students grow with us at SIX8 this year, they'll become more aware of His presence in their everyday lives. Looking forward to an incredible year ahead!
