

FEES SCHEDULE

Building Blocks received MOE funding the reporting of which will be notified and will include the following information in our annual audited general purpose financial statements or special purpose financial report:

- an outline of the amount received under each component of equity funding
- a brief description of what the funding was spent on
- a brief outline of the reasons for spending the equity funding in that way.

This information will be available at the office of Building Blocks, 255 Main Street, Palmerston North for viewing.
