

Opto-Electronic Components: LEDs, LED Drivers, LED Lamps and Modules

	VCC-Visual Communications Company <ul style="list-style-type: none"> A recognized leader supporting rugged illuminated electronic components for the global market
	Ligitek Electronics <ul style="list-style-type: none"> LED lamps and displays, thru hole and SMD LEDs, lamp arrays, dot matrix displays, LCD backlight units
	P-tec Electronics <ul style="list-style-type: none"> LEDs, and LED assemblies: thru-hole, SMD, high-power types; LCDs and TFT displays and full modules
	MY-Semi <ul style="list-style-type: none"> Leading edge constant current and power LED drivers with error detect, PWM control, DMX interface
	Silicon Touch Technology <ul style="list-style-type: none"> LED driver IC specialist, total solutions for LED display, lighting, and illumination applications
	Solid State Optronics <ul style="list-style-type: none"> Leading source for optically isolated switching devices such as MOSFET Output Solid State Relays, AC Output Solid State Relays, Optocouplers, TRIAC Drivers, MOSFET Drivers, IGBT Drivers, custom products

Active Components: Semiconductors, Embedded Products, Discretes, Frequency Control

	ASIX Electronics Corp. <ul style="list-style-type: none"> Leader in embedded I/O & Ethernet connectivity: non-PCI, USB bridges, network SoCs, RS transceivers
	Diotec Semiconductor <ul style="list-style-type: none"> Industry leading range of diodes, rectifiers, diacs, transistors, solar panel discretes...over 25 years' experience
	Micro Crystal <ul style="list-style-type: none"> SMD 32.768 kHz tuning fork quartz/low frequency oscillators, real time clocks and OCXOs in the MHz range
	NISSHIMBO <ul style="list-style-type: none"> Global supplier of power management & Real Time Clock ICs for commercial, industrial, automotive applications
	Tech Semiconductors (TECHSEM) <ul style="list-style-type: none"> Power semiconductors including thyristor/diode discretes/modules and 3-phase bridge rectifiers
	Western Design Center <ul style="list-style-type: none"> Home of the 65xx microprocessor technology! 8 / 16-bit MPUs, MCUs and peripheral / communication adapters

Passive Components: Magnetics, Capacitors, Circuit Protection, Resistors, Relays

	Allied Components International <ul style="list-style-type: none"> Broad line supplier of custom and standard Inductors, chokes, coils, ferrite beads, toroids and transformers
	Codeco Corporation <ul style="list-style-type: none"> Full range of precision metal film and wire wound resistors, specializing in extremely tight tolerances and TCs.
	Prisource Electronics Co., Ltd. <ul style="list-style-type: none"> Since 1994, Prisource designs / manufactures specialty magnetics, transformers, and common mode chokes.
	Thinking Electronics <ul style="list-style-type: none"> Full range of circuit protection components: over-voltage, over-temperature, over-current; ISO/TS 16949
	Viking Tech <ul style="list-style-type: none"> Thin film precision, Thick film, Current sensing, multi-function resistors, MLCC Capacitors, RF and Power inductors

HMI/User Interface: Displays & Integrated Modules, Touch Systems, Keypads, Switches

	Gunze USA <ul style="list-style-type: none"> Leading resistive, P-CAP and matrix touch panel manufacturer, standard and custom solutions
	Orient Display <ul style="list-style-type: none"> COB, SMT, COG and TAB LCDs, TFT displays and fully integrated modules
	OSD Displays <ul style="list-style-type: none"> Leading manufacturer of standard and custom LCD, OLED, TFT displays and module solutions
	P-tec Corporation <ul style="list-style-type: none"> LCDs and TFT displays and modules; interactive touch LED displays
	Taiway Electronic Components <ul style="list-style-type: none"> Since 1976, a leading ISO 9001, ISO 14001 certified manufacturer of membrane keypads and switches

Power Supplies, Converters, LED Drivers

	Magtech Industries <ul style="list-style-type: none"> LED power supplies and LED drivers, industry standard open frame and closed frame power supplies
	Mega Electronics <ul style="list-style-type: none"> ISO9001 manufacturer of power supplies, adapters, power cords, and DC/DC converters
	MTM Power <ul style="list-style-type: none"> Extremely rugged power supplies and converters for transportation, medical, power and energy applications
	Wall Industries <ul style="list-style-type: none"> For over 50 years, AC/DC power supplies, DC/DC converters, custom solutions and modifications

Electro-mechanical: Connectors, Switches, Jacks, Plugs, Enclosures, Thermal Management

	Amtek Technology Co. Ltd <ul style="list-style-type: none"> Leading supplier of rectangular, board-to-board, I/O, RJ-45, sockets, modular jacks, RF connectors/antennas
	Attend Technology Inc. <ul style="list-style-type: none"> Interconnect solutions including memory card socket, PCB card socket, I/O connectors, and cable assemblies
	Cooltron Industrial Supply <ul style="list-style-type: none"> Leading supplier of AC/DC fans, blowers, LED heatsinks, value added services and custom modifications
	Binder Connectors <ul style="list-style-type: none"> Wide variety of industrial and medical IP rated connectors as well as mounting and cable connectors for automation technology.
	IMS Connector Systems <ul style="list-style-type: none"> Leading maker of coaxial/RF connectors, coaxial cable assemblies, RF-test-switches, RF-antenna switches
	HighTech Components Co., Ltd. <ul style="list-style-type: none"> Leading Taiwan based aluminum heat sink and extrusion manufacturer, ISO9001 certified
	Maclean Senior Industries <ul style="list-style-type: none"> ISO 9001 certified designer and manufacturer of switches, jacks, connectors, and magnetics
	Microprecision <ul style="list-style-type: none"> Wide range of micro and limit switches, most IP67 or IP68 protected; also supplied with custom cable solutions
	Sofasco <ul style="list-style-type: none"> Manufactures a wide range of ball bearing and sleeve AC/DC axial fans, cross flow fans, blowers and chip coolers
	Sullins Connector Solutions <ul style="list-style-type: none"> Largest selection of 100% RoHS, UL/CUL approved card edge and headers; high-density/high temperature
	Taiway Electronic Components <ul style="list-style-type: none"> Since 1976, a leading ISO 9001, ISO 14001, IECQ QC080000 certified manufacturer of switches and keypads
