

KOLINAS, DESIGN: JAIME HAYON

With KOLINAS, Jaime Hayon playfully reinterprets the classic sofa form. As we've come to expect from the Hayon-Wittmann collaboration, the result is a collection of unique and characterful pieces. Hayon's flowing lines are brought to life by Wittmann with inimitable precision. A piping detail elegantly traces the sofa's whimsical contours, while the upholstery accentuates the distinctive legs.

Cuddly, rounded, playful, and incredibly comfortable – KOLINAS is a true embodiment of Hayon's design philosophy. His credo: furniture should not only be functional. It should tell stories and forge a special bond with those who choose it. Hayon likens this connection to the feeling of falling in love. Accordingly, KOLINAS springs from the designer's creative spirit as a sensual and vibrant form. The two sofa sizes and generously proportioned armchair are sculptural works of art. Inspired by the rolling hills of Austria, they bring a sense of natural harmony and effortless lightness to any space.

Wittmann's meticulous perfection shines through in the flawless execution and high-quality craftsmanship. Every detail fits precisely – from the artisanal, sweeping curves to the distinctive legs clad in matching upholstery. Rather than opting for an invisible standard solution, Hayon deliberately puts these elements on display. The ergonomic shaping of KOLINAS, combined with perfectly calibrated pocket spring upholstery, delivers exceptional comfort, while the premium construction ensures lasting durability.

OUR VISION

We shape and refine living spaces with exceptional comfort – through masterfully crafted seating and sleeping experiences that unite design and craftsmanship in an unparalleled way.

WITTMANN – CULTIVATING COMFORT

For over 125 years, Wittmann has stood for quality, individuality, and outstanding craftsmanship. The Austrian family business, now in its fifth generation, combines traditional upholstery artistry with innovative design – setting standards around the globe.

In collaboration with renowned international designers, unique pieces of furniture are created that impress with precise workmanship and timeless aesthetics. Wittmann doesn't follow fleeting trends but creates iconic pieces that enrich private interiors as well as extraordinary projects in hospitality, retail, and corporate environments.

Our inspiration is global, our mindset open and optimistic. Rather than adhering to a fixed direction, Wittmann creates products with an eclectic style – unmistakable, individual, and full of originality.
