The Nyhavn Dining Table

Create a calm, elegant, and practical dining room with Finn Juhl's Nyhavn Dining Table from 1953. This table is not only easy to care for but also ages gracefully. With numerous customization options, the table can be tailored to suit individual styles. Special mounts on the ends of the table allow for the leaves to hang vertically when not in use for extension, but they can also be completely removed. The tabletop can be ordered in either teak, oak, walnut, Oregon pine, or linoleum in the colours 'black' or 'mushroom'.
