

SkLO

Hold 18

SCONCE

CE  CB IP20

An expressive glass vessel that appears to stretch from its hook as if molten serves as a shade on this wall sconce. The socket is suspended from the hook on a fabric-wrapped electrical cord and is loosely suspended within the glass. A removable threaded pin within the brass hook can be used to secure the glass if required.

Socket 220-240V E14 25W Max (LED bulb included)

Fixture weight (approximate): 3kg

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent

Made in the Czech Republic
