Spheres of lit handblown glass suspended on brass tube stems, the Float 1.0 Pendants are both simple and elegant. The openings at the bottom of the glass feature an organic, layered detail where we dip the spheres twice into the molten glass during production. The lip of the opening is then cut and polished smooth. These details express their handmade nature without sacrificing their minimal feel. Available in two sizes.

Socket 220-240V E27 60W Max (LED bulb included)
