# Luka Stool

The Luka Stool or side table is a solid block of teak wood, with an organic rippled texture hand carved across its outer surface. Our artisans adapt to each block of wood to create a piece that respects the material and feels connected to nature. A natural finish enhances the organic quality of this stool.

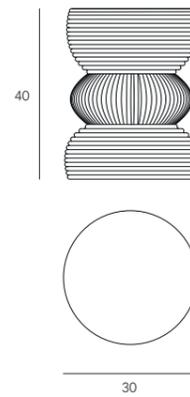

Ref./Sku

ST-LUKA

DIMENSIONS

W 30 X D 30 X H 40 CM

Weight: 20 kg

MATERIALS & FINISH

Structure	Exposure
Teak wood	Indoor/Outdoor

Disclaimer

Each one of our pieces is handmade to order in our workshops in Indonesia by highly skilled craftspeople. We always celebrate the natural variations inherent in the materials we use. They should not be considered flaws, but the very characteristics that define our work.
