Artisan material and process, variations occur

Colour

Olive

NCS S 0510-G50Y · S 2020-G50Y · S 4020-G50Y · S 5020-G50Y · S 7010-G50Y

Blush

NCS S 0505-Y40R · S 2020-Y40R · S 4030-Y40R · S 5030-Y40R · S 7005-Y20R

Packaging Dimensions

5 drawers

L475mm x W395mm x H520mm

Volume: ≈ 0.1m³

A minimum of 2 people is suggested for handling. Ensure this item is kept upright at all times. DO NOT tip!

Packaging Type

Fully assembled in carton

Gross Weight

≈ 26kg

Care & Maintenance

Frequently dusting of this piece will help to maintain the lustre of the finish. For general maintenance, dust regularly with a soft, dry, lint-free cloth. Please be aware that dust is an abrasive and can scratch the surface so this must be done with care to prevent scratching.

If wet cleaning is required, the item should be cleaned first without pressure using a soft, slightly damp cloth. It must be immediately dried with a dry, lint-free cloth. For the areas that require further cleaning a very mild detergent and water solution can be used.

Notes

When handling the piece we advise that all jewellery, watches etc. are removed to avoid scratches to the surface.

Ensure this item is kept upright at all times in transit. The product is not suitable for outdoor use.

Hot items should not be placed directly on the surface.

Keep away from heat sources such as radiators & fireplaces.

This piece should not be exposed to direct sunlight. Do not overload the drawers. Max 5kg per drawer. Ensure weight is evenly distributed in each drawer. Do not place heavy items on one side of the unit only.

We recommend that fixings are checked & tightened periodically to ensure all drawers are secure.
