

Solaria — Ludovica + Roberto Palomba — 2021

Divano componibile / *Modular sofa*

Il sistema di sedute Solaria è un inno al comfort e alla leggerezza. Isole orizzontali definiscono lo spazio senza creare barriere, in una dimensione dell'abitare fluida ma protettiva, accogliente. Arredi leggeri, trame di corde sapientemente intrecciate a mano creano alternanze tra pieni e vuoti. Morbidi elementi di seduta con ampie cuscinate invitano a relazioni informali. Il sistema dei divani è componibile e la possibilità di apporre lo schienale o i braccioli consente molteplici configurazioni di seduta.

The Solaria seating system, is a paean to comfort and lightness. Horizontal islands shape the space without creating barriers, in a living dimension that is both fluid and protective, welcoming you in. Lightweight furnishings, skilfully hand-woven cords create alternating volumes and voids. Soft seating components with large cushions invite informal relationships. The side tables convey the themes of texture and transparency in woodworking. The sofa system is modular and the option of adding a backrest or armrests allows for multiple seating configurations.
