TIBEAU —
GAMFRATESI 2026

The Tibeau bedside table celebrates wood as its protagonist, with a robust and bold design that dialogues with Molteni&C's historical heritage and craftsmanship tradition. Its distinctive element is the "T"-shaped silhouette, drawn from the bed introduced in the 2025 Collection, giving personality to the project and inspiring its name. The design evokes tribal references while establishing a deep connection with the past. As with the sideboard, the wood frame combines with a marble top that adds precious materiality and a sense of tactile balance. The Tibeau bedside table completes the bedroom, embodying Stine Gam and Enrico Fratesi's signature conceptual rigor and poetic sensitivity.
