Romo Coffee Tables

The Romo coffee tables represent floating islands; substantial and intricately detailed tops offer pure functionality. Available in three sizes, Romo coffee tables combine lacquered wood with either marble or solid wood giving a huge number of customisation options. Lacquered wood traces each table from the base to the top while an insert of an additional finish adds a highlight to the piece. The base of each table is available in a number of lacquered finishes including both matte and high gloss options. The insert is available in a solid wood finish, lacquered in matte or high gloss finishes or in solid marble.
