Wax Stool

The Wax stool is a light-hearted piece that highlights a contrast of stained and lacquered wood. The Wax Stool is characterised by an almost-melting top in coloured lacquered wood. The two legs extend all the way into the top with no visible joints giving the impression of something that exists without intervention. Available in a number of lacquered finishes including both matte and high gloss options and in any of our stained wood finishes.

Technical Details

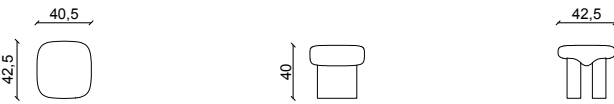

Machine cut, hand finished MDF, pores sealed and sandblasted before lacquering in any RAL colour matte or high gloss. Legs in MDF fully veneered and stained in any of our wood finishes. Comes assembled. Felt glides.
