Lalea Lounge Chair

The Lalea lounge chair is somewhere you don't want to leave, an island that is both isolated and comfortable. Resembling a floating cloud, Lalea lounge chair is designed to feel exactly like that. Lalea consists of two perfectly complementing parts, the first an intricately detailed leather shell, within it, a soft and bulky set of cushions giving maximum comfort. The contrast between the taught leather of the shell and the loose billowing fabric of the cushions is further highlighted by the possibility to customise both parts in a number of leathers and fabrics both matching and contrasting.
