Silo DiningTable

Silo Dining Table is an impactful piece designed to explore the usual characteristics of a dining table. For the Silo Dining Table the base and top communicate and coincide harmoniously, both working together to create a piece that is as visually striking as it is minimal and pure. The size and seeming weight of the top piece gives the entire table a sculptural feel. Each part of Silo can be customised in both matte and high gloss colour options and Silo is available in 3 distinct sizes.

Technical Details

Base: Machine cut, hand finished MDF and plywood layers with heavy lacquer finish. Base is hollow and contains steel support structure. Top connects directly to steel support structure.
Top: Machine cut, hand finished MDF with heavy lacquer applied. Both parts available in matte and high gloss versions with each piece individually customisable. Some assembling required. Felt glides.
