April 30, 2022

Dear Tara Ansty:

**Congratulations on being selected as a recipient of the onePULSE Foundation 49 Legacy Scholarship!**

I commend the foundation for providing academic scholarships to honor the aspirations of all 49 Angels who embody love, hope, unity, courage, and unconditional acceptance. With these 49 legacy scholarships, we can ensure the names and legacies of the 49 Angels live on in perpetuity and are never forgotten.

As the third scholarship class, you represent your community's top scholars and exemplify excellence in academia, leadership, community engagement, and personal growth. Your desire to pursue your educational goals is inspiring and sets a wonderful example for your peers to follow.

During the momentous occasion, I hope you take the time to reflect on your many accomplishments and continue to be involved in community-led organizations. With your active participation, we can create a community that works for everyone.

Once again, congratulations! I wish you all the best and continued success in the future.

Sincerely,

Jerry L. Demings  
Orange County Mayor
