# How to Share Your Digital Business Card as a Link in the CardByte Web App

Follow these steps to share your **Digital Business Card** effortlessly:
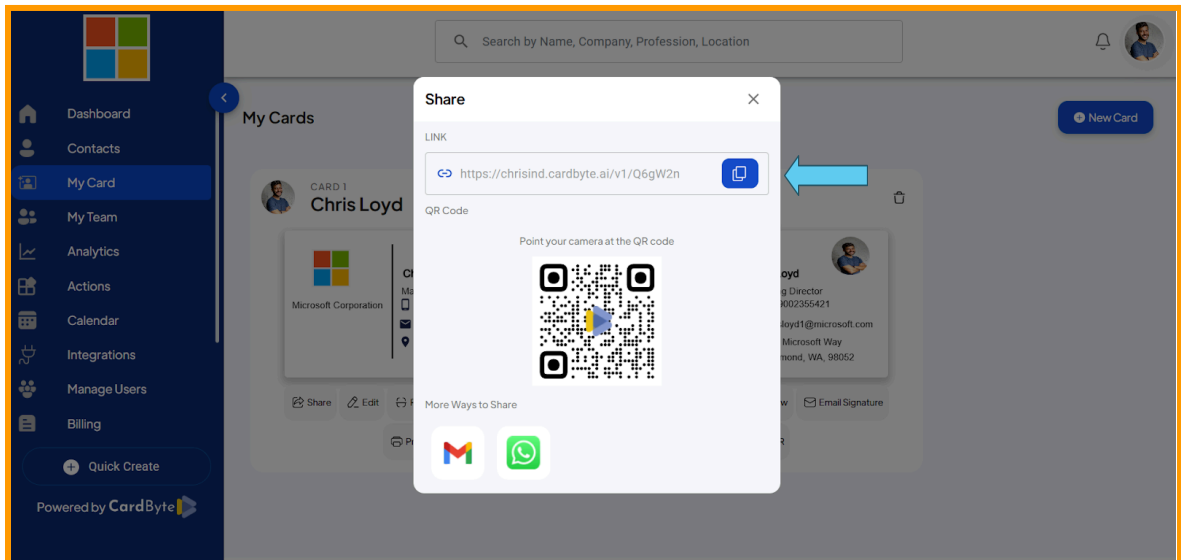

- Open the **CardByte Web App**.
  https://enterprise.cardbyte.ai/login
- Sign in using your credentials.
- Click on the **My Card** tab.
- You will see your **Primary** and **Additional** business cards.

- Click on the **Share** tab.
- A new window will open.

- At the top of the new window, you'll find the option to **Copy Link** for your Digital Business Card. Click to **copy** the link.

- You can now share the copied link—**via text message, WhatsApp, Email, Social Media, etc.**

- The receiver can view your card by clicking on the link, no app necessary!
- The receiver can click on Save in Contacts to save your information in their Phonebook
