- Under the **"Business Information"** tab, you can add information such as:
  - Profession
  - Industry
  - Years of Experience
  - Business Summary

A business summary highlights your company's products, services, and core purpose, introduces who you are, and can also be used as a tool to engage customers and stakeholders.

- Click **Save**

The screenshot shows a mobile application interface for creating a new card. At the top, there is a back arrow and the title "Create New Card". Below this, there is a text input field containing "www.Microsoft.com" with a globe icon on the left. Underneath is another input field with a calendar icon and the placeholder text "Enter fax", followed by a blue "+ Add" button. In the center, there is a blue "+ Add Links" button. Below that is a section titled "Business Information" with an upward-pointing chevron. This section contains three dropdown menus, each with a briefcase icon: "Marketing Professional", "Information Technology an", and "Director". Below these is a large text input field with the placeholder "Enter Business Summary". At the bottom of the screen is a prominent blue button labeled "Save". A blue arrow points upwards from the bottom edge of the screen towards the "Save" button.

- The additional card is now ready to be shared.
