In loving memory of Holly Given

Honoring Holly. Helping Others.

The Holly Given Fund was founded to turn heartbreak into hope.

Created in memory of Holly Given, who lost her life to domestic violence in 2017, the Fund supports domestic violence prevention, women's scholarships, and youth athletics programs across the Upper Florida Keys.

Through community events and outreach, our mission is to keep Holly's light shining — fostering awareness, safety, and opportunity for others.

About the Tournament

Now in its 8th year, the Fish for Holly Sailfish Tournament has become **the largest tournament in the Florida Keys**, drawing anglers, families, and sponsors from across the region.

Hosted at the iconic Islander Resort in Islamorada, this two-day event blends the thrill of competitive fishing with the purpose of community giving. Every fish released, every raffle ticket sold, and every sponsor's contribution helps create lasting change.
