Has your doctor recommended low dose aspirin for heart protection?

Cartia has a Duentric coating that's gentle on the stomach*

cartia.com.au

*Cartia low dose aspirin has a Duentric coating which is designed to protect the stomach from the irritation that can be caused by aspirin.

\$14⁹⁹ ea

Always read the label and follow the directions for use. Cartia helps prevent blood clotting and reduces the risk of heart attack and stroke in patients with known cardiovascular or cerebrovascular disease. For use under medical supervision only. The use of low dose aspirin may be only one component of your medical practitioner's management plan to prevent you having a further heart attack or stroke. You should discuss this plan with your medical practitioner. Do not substitute other medicines containing aspirin, for this medicine, without first consulting your pharmacist or medical practitioner.
