

Immigrant Storytelling Show

PLAN is seeking sponsors for our annual storytelling event, In Our Own Words. On October 22nd, we will feature local immigrants and their stories. Benefits of sponsorship include free tickets to the storytelling show, signage at the event to show your business stands in solidarity with our local immigrant community, and recognition on our website.

Challenging Narratives, Building Bridges

At PLAN, we harness the power of stories to cultivate empathy, foster connections, and challenge anti-immigrant narratives. As we continue to see anti-immigrant rhetoric being used to justify state violence against the immigrant community, an event like this is more important than ever to help us look past prejudice and see people instead. After all, a better understanding of personal experiences leads to policies that center humanity over hate.

Why Sponsorship?

Sponsorship allows your company to publicly share its commitment to the local immigrant community and support PLAN's mission to reimagine immigrant justice in Arizona. Sign up at www.planphx.org/sponsorship.
