IMPORTANT NOTICES & REGULATIONS FOR HORSE EXHIBITORS

Stabling:

Stabling contractors - Cheval Starbox Ltd.

Exhibitors requiring stabling must notify their requirements **AT THE TIME OF ENTRY**.

If stables are oversubscribed the Association reserves the right to restrict the booking of stables for those exhibitors only showing on one day. The horse stables are available for the following times:

Wednesday night bookings: 8am Wednesday until 6pm on the Thursday

Thursday night bookings: 6pm on the Thursday until 6pm on the Friday

Friday night bookings: 6pm on the Friday until classes have finished on the Saturday

Stabling will only be available on the night before / day of showing.

All exhibitors must vacate stables by 6.00pm unless they have reserved the stable for other nights.

Please note that stables are NON-TRANSFERABLE

Caravans:

Exhibitors bringing their caravan to the show **must place it in the Livestock Caravan Park** at a fee of £60.00 for the week.

Applications for passes should be made to the Equine Team. **For the safety and security of all exhibitors and their animals**

NO tents and/or gazebos are permitted within the Horse Lorry parking areas.

Equine Influenza:

Equine Influenza vaccinations are a compulsory requirement for all equines (horses and ponies) attending the Royal Cornwall Show and random spot checks of passports are likely to be undertaken. The requirement for the first 3 vaccinations is as follows: the first 2 vaccinations 21 - 92 days apart, a third booster between 150-215 days, and an annual booster vaccination within 365 days thereafter. No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old.

To confirm all horses/ponies must have had their first two vaccinations to compete, and then if applicable be up-to-date with their annual booster thereafter.

Equine Passports:

It is the responsibility of the exhibitors to bring their horse passports with them to the show. Random spot checks are likely to be undertaken by enforcing agencies and if veterinary medical treatment is required.

Passes:

The following passes will be allocated to all horse exhibitors, any additional passes required must be purchased alongside your entries, and tickets will be sent out together with your entry information.

One entry: 2 x One Day Tickets

Two or more entries: One additional Day Ticket for each extra entry

Horse Lorry Arrivals:

All horse exhibitors, except those who have been provided with an inside parking pass are to arrive through the outer horse lorry entrance in the field adjacent to the Showground, from there you will be parked accordingly.

Measuring of Horses:

Entries in classes with height conditions may be subject to measuring should a query arise and will be measured by the Association's Vets in the Measuring Box in the stabling area. Owners/exhibitors of horses/ponies which have been issued with an Official Height Certificate by the Joint Measuring Scheme should have this height certificate at the show either printed off or on a mobile device which can be easily accessed if needed. Half an inch to be allowed for normal shoes, no allowances for tips, plates or Charlier shoes. No subsequent alterations to shoes permitted.

Hats:

Hats to the following standard must be worn at all times whilst on the showground, this includes when in the ring, lorry park, practice or collecting areas. Current standards as listed: PAS 015 2011; VG1 2014-12; (BS) EN1384 2023; ASTM F1163 2015 and 2023, SNELL E2001; SNELL E2016 and E2021 onwards. Such headgear must be worn with the chin strap securely and correctly fastened at all times. Skull caps must have a navy blue or black cover. Exhibitors showing within the Morgan, Iberian and Side Saddle/Astride costume classes are exempt from this rule at their own risk but are strongly advised that they should wear a hat as outlined above. Any variation to this ruling is solely at the exhibitors' risk. Morgan exhibitors are advised by their society to wear approved hats (PAS 015 2011 at least) but if they wish to wear straw hats during the judging of their classes it is at their own risk. Horse displays/demonstrations within the Main Ring and Countryside Ring are exempt from this rule but participants do so at their own risk, this exemption does not include the Inter-Hunt Relay and Showjumping classes..

Suitably Mounted:

All animals ridden anywhere on the showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

General Conduct:

No horse may be exercised other than in a collecting ring.

No horse should be tied to the railings or left unattended at any time other than when securely contained within a horse vehicle or stable.

No exhibitor or their groom may ride one horse and lead another or if on foot lead more than one horse.

The bringing of companion horses/ponies is strongly discouraged but if such animals are present their behaviour and all matters relating to safety are the sole responsibility of the exhibitor bringing such animals to the show.

Anyone exhibiting a stallion must take adequate precautions to ensure the safety of other people and animals.

Judging:

The decision to ride horses in any ridden class is solely at the discretion of the judge.

Any horse present at a show under SHB(GB) rules may be tested, please refer to the SHB(GB) Handbook: SHB(GB) Drug Testing – Policy and Procedures, point f.i.

The judging of any class may be advanced by 15 minutes ahead of the time shown in the programme.

Rosettes:

Rosettes will be awarded in all classes from 1st to 5th place, in addition, a 6th prize rosette will be awarded in classes with at least 10 entries forward on the day. Please note that this does not affect the cash prizes as listed.

YOU'VE BUILT A LEGACY WORTH PROTECTING, LET'S MAKE SURE IT'S PASSED ON THE RIGHT WAY

You've spent years building your business. Now it's time to make sure your legacy, family and farm are protected for the future.

Succession planning isn't just about handing over the reins. It's about making sure your wishes are respected, your family is supported, and your business continues to thrive.

With proposed changes to Inheritance Tax (IHT) from April 2026, now more than ever, is the time to review your plans.

Our latest research shows that 49.1% of farmers surveyed are yet to put plans in place*. Of those farmers questioned, 17.6% said they hadn't got around to making a succession plan – even though they recognise that it's important for the future of the business. And a further 31.5% just didn't recognise it as something important.

Our local Financial Advisers understand farming and can help:

- Explain and prepare you for the proposed changes to IHT, including Agricultural and Business Property Relief and the potential impact on you and your family.
- Advise on the range of IHT mitigation solutions we offer.
- Help ensure fairness across the family by helping you make provisions for children who aren't involved in the farming business.
- Review your financial plan and ensure you're making informed decisions when it comes to taking income from your pensions. As well as explore how they can be used to maximise tax benefits, while providing an independent income beyond the farm.
- Plan for the unexpected, to ensure the business can continue should the worst happen, with appropriate income protection and life insurance.

If already accepted, the entry may be cancelled or the exhibit may be disqualified and any prize made to it removed and furthermore all awards made to such an exhibitor or competitor in any class may be voided. The judge may withhold any prize where there is not sufficient merit.

Veterinary Regulations & Treatment

Animal Welfare

The Royal Cornwall Agricultural Association supports the Five Freedoms which are outlined in our Animal Welfare Plan available on our website and by contacting the Show Office.

The administration of any pharmaceutical substance is prohibited by any Exhibitor and can only be carried out by one of the Association's Vets.

It is a condition of entry that the Association's Vets may, on their own authority, give such emergency treatment as they may consider appropriate in the event that the owner or their representative cannot be found. Exhibitors will be liable to pay for all drugs/treatment used by the Association's Vets in the treatment of their animals.

Animals with infectious diseases and lesions: To avoid any disappointment and reduce the risk of animals being sent home all exhibitors are asked to adhere to the following:

- Please check all animals carefully prior to arriving at the Show for any signs of disease. If concerned seek veterinary advice prior to the Show.
- If animals have visible lesions or clinical signs of an infectious disease on arrival exhibitors will not be allowed to unload animals onto the showground or may be asked to remove the affected animal to protect the other animals at the Show.
- If the animal has had an infection or other clinical concern that is now resolved but has left a visible lesion, exhibitors should get them checked and signed off by a vet prior to the Show and have any relevant testing to confirm they are no longer infectious.
- If an exhibitor has any doubt reference the above and whether an animal can attend the Show due to a visible lesion or history of recent infection, they should contact the Showground Main Office as soon as possible where they can be passed to the Show Vet Team for advice. It can then be confirmed if an exhibitor should attend with the animal, get any pre-show testing done to confirm if they are free from disease/infection or advise the exhibitor that they should not bring that animal to the Show.

Tampering and Malpractice

Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The instigator or the owner of the said animal may be prohibited from again entering stock for any of the Association's Shows, for such period as the Association may see fit. For the purpose of this regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state,

and the Association reserves the right to have all animals inspected by the Association's Vets, either prior to, during, or after judging.

The overstocking of udders is to be strongly discouraged and exhibitors are liable to inspection by the Association's Vets.

The Association will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Association reserves the right to take any necessary samples. Any person or exhibitor (or their representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Association, and dealt with at their discretion. In addition the matter will be referred to the appropriate breed society or organisation.

The following practices and/or procedures are prohibited when showing any animal, with many of the following relating specifically to dairy cattle:

- Filling an animal's rumen unnaturally with liquid (tubing).
- Balancing the udder by any means other than by leaving naturally produced milk in any or all quarters.
- Treating the udder internally with an irritant, counter-irritant, or any other substance to temporarily improve conformation or produce unnatural animation.

Placards or Advertising Material

Herd / Flock Advertising

Exhibitors are permitted to erect signs advertising their herd or flock. For the cattle these must not exceed the height of the headboard rail and also not interfere with the Royal Cornwall Agricultural Association headboards. In the case of flock signs no sign may be erected to stand higher than 61 cm (2') above the pen hurdle height. Separate regulations apply for breed society promotion pens within the sheep section.

The Association reserves the right to remove any sign, should it be deemed to be inappropriate.

No person shall be allowed to fix any card or placard on or within Showground property without the written permission of the Secretary.

Penalties

As the non-exhibition of animals entered for the Show causes unnecessary preparation and expense and disarranges the Showground, any person entering stock and failing to exhibit shall pay a penalty of £5.00 for each entry unless a certificate under the hand of the exhibitor or their authorised agent be lodged with the Secretary of the Association before the day of the exhibition certifying that non-exhibition is caused by:

- (1) the death of the animal or animals
- (2) contagious or infectious diseases (confirmed by the explanatory certificate of a Vet) or
- (3) it's becoming ineligible for the class in which it has been entered.

Every exhibitor shall indemnify the Association against all actions, claims, proceedings and demands by any person, company or other representative body of whatsoever nature in respect of any matter, directly or indirectly connected with the bringing onto the Association's Showground of any animal which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground and in addition the exhibitor shall pay all costs and expenses incurred by the Association in connection with any such claim. The Association's Vets are authorised to refuse permission for any animal to be admitted to, or to have removed from, the Showground

any animals affected with contagious or infectious disease or with disease which, in their opinion, was likely to prove dangerous to other animals. The owner or assistant in charge of such animal may obtain, if desired, a certificate in writing from the Association's Vets, stating the nature of such disease or infection. Concealment of disease will render the exhibitor liable to disqualification.

The stewards, on the recommendation of the Association's Vets shall have the power to remove from the Showground any unruly, vicious, deformed or diseased animals, and also the stock, implements or miscellaneous articles belonging to any exhibitor who refuses to comply with the instructions given to them by the stewards without any responsibility attaching to them or to the Association in consequence of such removal.

The Association reserves the sole and absolute right to interpret these or any other regulations, conditions or Prize Schedule, and arbitrarily to settle and determine all or any matters, questions or differences, in regard thereto, or otherwise arising out of or connected with or incidental to the Show. Also to refuse and to cancel any entries, disqualify exhibitors, prohibit exhibition of entries, vary or cancel of awards of prizes, and relax conditions, as the show may deem expedient.

To substitute judges for those announced in the prize schedule, or make additional appointments as may be deemed necessary.

The Equine Departments at Penmellyn and Kernow Veterinary Groups have merged to form Kernow Equine Vets.

For over a hundred years, Penmellyn has been recognised as the “Horse Vets” in Cornwall, and this proud heritage will continue within the new combined practice.

Our dedicated equine vets, nurses, admin team and grooms remain focused solely on equine care, and all facilities will continue to be available under the care of Kernow Equine Vets — so you can be confident your horse, pony or donkey is always in the very best hands.

Located just five minutes off the A30, we are the ideal destination for horse owners all over Cornwall and beyond.

Once you are registered with the practice, you can then either make appointments at your convenience at our facilities built to hospital standards in St Columb Major or book a visit to your own yard.

Our equine facilities are built to hospital standards, with American barn-style stables that allow you to admit your horse the day before for more involved procedures, if required. With 24-hour CCTV monitoring and dedicated on-site care, you can have complete peace of mind while your horse is with us.

Almost all medical and surgical procedures can be performed on site within our fully equipped facilities.

**Open 8.30am - 5:30pm
Monday-Friday**

We also have out of hours covered by dedicated equine vets.
