THERE'S ONLY
ONE YOU.

Dearest Mom—

On this Mother's Day I must thank you for being the most spectacular, wonderful, life-creating, life-enriching, heart-and-soul-filling mother I can imagine.

In every way you made me the person I am. All that is good in me I attribute to you. You taught me explicitely, and showed me by example. You nurtured and fed my body, heart, soul, and mind. You taught me how to see, how to notice, how to be aware... and what to do as a result.

My gratitude and love for you know no bounds.

Love, Mark

CELEBRATING THAT
