This is your chance to be recognised for your hard work and achievements. Just like our previous winners, Dr Sam Erabadda and Dr Rohan Sahdev, who took home Dentist of the Year, awards in 2024 and 2025 you could be the next to shine on the Alumni Awards stage.

These awards are more than just an event; they're an opportunity for you to be acknowledged for your dedication, hard work, and impact. Your success stories are the heart of our community, and the Alumni Awards night is where they truly belong.

The following awards will be given to the best cases in the following categories:

1. **SINGLE TOOTH ANTERIOR COMPOSITE CASE**
