(with portions for about 10 people each).

Jade Rabbit

Jade Rabbit is a celebration of Chinese-American food – a unique cross-pollination of Chinese and American cuisines built out of necessity, hard work, creativity, perseverance and the entrepreneurship of Chinese-American immigrants.

Our family has been cooking Chinese-American food in America since the 1950s. Jade Rabbit is an ode to that family history and we hope to honor it while evolving Chinese-American food that is healthy, quick, delicious, thoughtfully prepared and sourced using quality ingredients.
