MARCH 2026 UPDATE

## Digital Product Passport & ESPR Compliance

### THE NEXT CHALLENGE: ALIGNING TWO PARALLEL TIMELINES

In December 2025, the third milestone of the JRC Preparatory Study for the Textile and Apparel sector was published.

Recent policy signals indicate that the Delegated Acts may be adopted in Q3 2027. Companies would then have 18 months to comply, with enforcement expected from early 2029. However, between 2026 and 2027, operational preparation for DPP implementation must already begin.

**POLICY\*** (regulatory pressure)

**OPERATIONAL** (company time to market)

\*The information provided is updated as of March 4th 2026, based on the official sources available on that date.
